Assessment Cancellation:

If insufficient enrolments are obtained, assessments may be cancelled. In this case you will either be offered an alternative assessment date or a full refund of money paid.

Release of LEA Results

An EPIC ITB Release of Results (ROR) form must be completed by the apprentice to allow EPIC ITB to release their LEA results to their RTO.

All apprentices will be notified of their results via **post** within 10 to 14 days of sitting their examination.

No results will be given over the phone.

LEA Practical Assessment Requirements

The LEP and SWP assessments are practical examinations. These assessments are to be regarded as 'real life' situations and as such all candidates must dress appropriately. Appropriate clothing and work boots must be worn. The assessor has the authority to deny any candidate entry to the examination if they are incorrectly attired.

Examination conduct

Please note that all EPIC ITB assessments are conducted under strict examination conditions.

The EPIC ITB Licensed Electricians Assessment is approved by ESV and we, including ESV, appreciate that all candidates realize the importance of the assessment and the consequences of not adhering to the examination procedures.

Confirmation of your assessment date and time will be mailed following receipt of your application form (enclosed), payment and confirmation of your eligibility. EPIC ITB administration reserves the right to allocate assessment dates and times as required. However, you may nominate a preferred assessment date on the application form.
