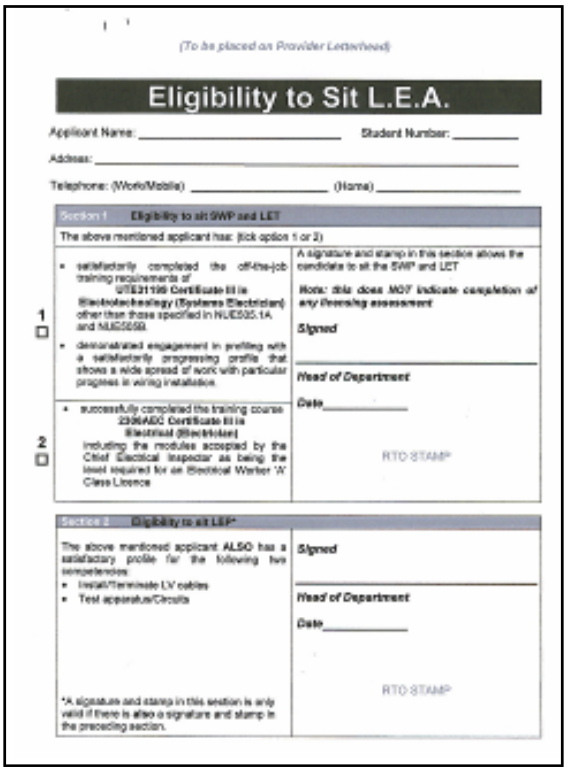
*ELIGIBILITY TO SIT LEA EXAMINATION*

# Sample Documentation

To sit for a LEA Assessment, candidates undertaking an apprenticeship must provide an **original Eligibility to Sit LEA** document. This is an official document issued by your training provider. The document must be printed in the training provider's letterhead, must be signed by the head of the Electrical department and must have the RTO's official stamp in order to be accepted.

For all **ES and E Licence holders**, a **photocopy of their License** should accompany their application.

**Overseas Qualified applicants** need to provide a photocopy of their **Trades Recognition Australia.**



(To be placed on Provider Letterhead)

**Eligibility to Sit L.E.A.**

Applicant Name: _____ Student Number: _____

Address: _____

Telephone: (Work/Mobile) _____ (Home) _____

Section 1 Eligibility to sit SWP and LET

The above mentioned applicant has: (tick option 1 or 2)

1 ☐
- satisfactorily completed the off-the-job training requirements of UTE21199 Certificate III in Electrotechnology (Systems Electrician) other than those specified in NUE535.1A and NUE5059.
- demonstrated engagement in profiling with a satisfactorily progressing profile that shows a wide spread of work with particular progress in wiring installation.

A signature and stamp in this section allows the candidate to sit the SWP and LET
